## "CORVAIR FUN FACTS"

-  Motor Trend magazine named Chevy Corvaair "Car of the Year" in 1960.
-  Corvaair is the 1st and only mass-produced American vehicle offering an air-cooled rear engine design, unibody construction, factory turbo-charging, and 4-wheel independent suspension.
-  The 1962 Corvaair Spyder, along with the 1962 Oldsmobile F-85 Jetfire, was America's 1<sup>st</sup> vehicle to offer factory turbo-charging.
-  1965 Car & Driver magazine called Corvaair "undoubtedly the sexiest-looking American car of the new crop and possibly one of the most handsome cars in the world."
-  Almost 2 million Corvaairs were made during their 1960-69 run, including 2- & 4-door models, convertibles, station wagons, pick-ups, and passenger vans.
-  The 9-passenger Corvaair Greenbrier van, produced from 1961 thru early 1965, is considered by many auto historians to be the forerunner of the modern minivan.
-  Contrary to popular belief and the infamous stories involving Ralph Nader, Corvaair is the only car ever certified "Safe" by the United States government.
-  The August, 2007 Hemmings Classic Car Magazine called the Chevy Corvaair "GM's Mechanical Marvel...Pure and simple, these are still great cars...And extremely advanced for their time."
-  Already enjoying steady appreciation, the Corvaair is still considered "one of the world's least expensive collector cars".
-  Orange County's official Corvaair Club, Vintage Corsa, was founded in 1974, and welcomes all Corvaair enthusiasts or anyone simply interested in knowing more about the Chevy Corvaair. For more info, visit our website!
-  The Corvaair Society of America (CORSA) boasts over 5,200 active members and 125 chapters across the U.S.A. - including active enthusiast clubs in Los Angeles, Orange, Riverside, San Diego and Ventura Counties.
-  Corvaair parts, supplies, and vendors continue to be readily available throughout southern California and the United States. Just visit the "Links" page on our website for more information.
-  Vintage Corsa meets on the 1<sup>st</sup> Thursday of every month at Dave & Busters Restaurant at The Block Of Orange. Check our website for details, and hope to see you at a future meeting and/or event.
